Dear Ms. Forman,

On behalf of the Humane Society of Broward County, I want to express our most sincere thanks for your generous gift of \$1500.00 received on 8/7/2019.

Since 1944, the HSBC has been supported by donations, grant funding and low-cost fee-for service programs. However, without local community support we would not have evolved into the premier animal shelter that we are today.

During the past year, HSBC staff and volunteers came in contact with thousands of animals through our many programs and services – more than 6,000 were placed into a loving new home; more than 2,700 animals were transferred to our shelter from smaller shelters in the hope of increasing their chance of finding their forever home; and pet owners in our community who utilized our low-cost vaccine and spay/neuter clinics in order to keep their pets healthy totaled 14,850.

In addition, the Humane Society of Broward County’s education programs continue to have an impact on the children in our community. You can take pride in knowing that through your support you played a part in helping us to provide humane education lessons to more than 150,000 children throughout Broward County.

We greatly appreciate your commitment and dedication to the well-being of both our furry friends and the organization as a whole, and thank you again for choosing to support the Humane Society of Broward County.

Sincerely,

Kathy Tricomi  
Senior Vice President/Chief Development Officer
